**Moving & Packing
Supplies Available**

Hello,

Steve's Moving & Storage specializes in delivering our moving and storage containers right to your door! No more hiring rental trucks and paying for extra fees like kilometers, and gas. Now with one quick call you can have your container delivered right to your door on or before moving day. Conveniently store your belongings in your container as you pack them. Whether you need the container for a day, week, month or longer we have a wide range of options and prices to meet your specific moving and storage needs.

If you need to move or store your belongings, at Steve's Moving & Storage we have you covered. Now you have total flexibility when doing your move. For the price of a two day truck rental you can have a moving container for up to a month without the hassle of picking up and returning a rental truck. **You can also store our specially designed moving and storage containers on your site or our secure depot.** It's up to you. Our specially modified trucks can deliver your container right in your driveway ahead of your move date so you can take your time to load or unload.

All of our containers are new 8 feet wide x 20 feet long x 8 feet 6 inches high and come with secure vandal proof lock boxes. All the containers have plywood floors and extra tie offs are provided to ensure your load is secure. There is extra venting installed in all the storage units to create a moderate storage climate and no ramp is necessary as the container is delivered on ground level for safe and easy moving.

MOVING AND YOU NEED TO STORE YOUR BELONGINGS FOR A PERIOD OF TIME?

WHY TAKE TWICE THE TIME AND PAY TWICE THE COST TO MOVE? Now you can load your container and store it on your site or ours for as long as you need. When your ready simply call us and we'll deliver your container to your new location. **You no longer need to load and unload twice as with regular self storage therefore saving you time, money and additional unnecessary stress.**

We would like to thank you for taking the time to read this letter and invite you to call us at **519-748-1305** to arrange a free no obligations quote for your moving and storage needs. Good luck with the sale of your home and we're looking forward to hearing from you soon. **(Please enjoy your fridge magnet)** For more information visit us at www.storageatyourdoor.ca
